OUR MISSION

First Baptist Church Lufkin's WEE Care is a Mother's Day Out program that focuses on a central message of the good news of God's Love. This message is communicated by caring, qualified teachers and caregivers who provide positive life experiences to help children grow in their understanding of God's love. Our hope is that each child may flourish in a Christ-centered environment where we foster creativity, teach appreciation for the world, and develop an awareness of all persons as children of God. We pray that we can give them the beginning of a foundation of a life in Christ.
